Participation in Google Book Search Settlement Notice Program 1. Information About Your Organization 1. What is the name of your organization? 2. What is your name and title? 3. What is your email address? 4. If your organization is NOT an IFRRO member, please provide your organization's address, phone, fax, and email. (We have that information for IFRRO members.) 5. On what date are you completing this survey?

Participation in Google Book Search Settlement Notice Program

2. Confirm Participation and Details

Please provide additional information or questions here

Other (please specify)

Language(s)
of Paper Notices

copies will be required?

1. Please confirm that your organization intends to voluntarily participate in the Notice Program for the Google Book Search Settlement.

The Notice Program has been approved by the U.S. federal court overseeing the Settlement. Participation in the Notice Program does not require your organization to take a position on the Settlement, and does not confer any legal obligations or liabilities under U.S. law.

Participation involves distributing the Notice of Settlement to your members through either email or postal mail. Please tell us how you would like to distribute the Notice.

- My organization will provide our membership list, including email and/or postal addresses, under strict confidentiality provisions, to the Notice Provider and Settlement Administrator. The Notice Provider and Settlement Administrator will distribute the Notice to our members by the distribution method we specify at the time we provide our membership list.
- My organization will distribute the Notice to our members, using the Notice provided by the Notice Provider and Settlement Administrator.

2. To approximately how many members (or other recipients) will you distribute the Notice?
3. If you will distribute the Notice, what will be your primary method of distribution?
€ Email
€ Postal mail

4. In what language(s) will your members receive the Notice? If you are distributing paper versions or asking the Notice Provider to distribute paper versions, how many

	organization be able to distribute the Notice before the end of Feb	
€ Yes		
€ No		
If "No," on what da	te are you able to distribute the Notice?	

Participation in Google Book Search Settlement Notice Program

3. What Additional Materials Would You Like From Kinsella?

- 1. Kinsella is willing to provide organizations with materials related to Notice Program activities in your country. Please let us know what information (if any) you would like to receive.
 - € A list of the print publications (and issue dates) in your country in which a summary form of the Notice will appear.
- A script of answers to "frequently asked questions" that the U.S. call center will be using (to facilitate your answering of member questions).

If there is other information that would be useful to you, please tell us here

Participation in Google Book Search Settlement Notice Program

4. Thank You!

We sincerely appreciate your participation in this Notice Program, and that you took the time to complete this survey. We will be in touch to follow-up soon on any questions you have or to provide you with the materials you have requested. In the meantime, always feel free to contact our team at Kinsella/Novak Communications in Washington, DC:
Belinda Bulger, b.bulger@kinsella-novak.com, +1-202-379-1165 Danielle West, d.west@kinsella-novak.com, +1-202-379-1164

Subject: Google settlement notice materials for distribution - Slovak

Date: Monday, February 9, 2009 11:20 AM

From: Belinda Bulger <b.bulger@kinsella-novak.com>

To: Jana Vozarova <vozarova@lita.sk>

Priority: High

Jana,

Thank you for agreeing to participate in the notice program for the Google Book Search Settlement. We know you are busy, and we appreciate the time you are taking to provide your members with this important information.

As you may know, the full Settlement Website, including claiming functions, is now available in Slovak at http://www.googlebooksettlement.com/intl/sk/. Therefore you may now provide official notice of the settlement to your members. To facilitate that notification:

- Attached is the Notice, which explains the Settlement's details. This is the document
 to email to your members. (You may send it at any time before the end of February,
 though as soon as possible would be ideal.) If you prefer to send a link instead of an
 attachment, the Notice is available at: http://www.googlebooksettlement.com/intl/sk/
 notice.html
- Also attached is the Summary Notice, which will appear in 71 languages in more than 200 countries. The Summary Notice is also available on the Settlement Website (though this version has Slovakia's toll-free number, and the one on the website has the int'l toll number).
- Answers to frequently asked questions that our representatives here in the US will be using and that you should feel free to use are available at: http:// www.googlebooksettlement.com/help/bin/answer.py?answer=118704&hl=sk. (Of course, you are under no obligation to provide additional information about the Settlement.)
- Attached is optional sample text to use to send the materials to your members. This
 document can be a bit confusing as it was originally meant to be internal; please let me
 know if you need a particular email or letter drafted and we can do that.

We will send an email to all participants soon with instructions for submitting an invoice for reimbursement of hard costs associated with this mailing. And we will contact you in late February or March to follow up and find out how many Notices you distributed. Please email us when you have sent the Notice to your members, so that we may update our records.

If there is anything else you need, please do not hesitate to let us know. We truly appreciate your participation and will help however we can.

Best, Belinda Belinda Bulger, Esq.

Ak ste autor Knihy, vydavateľ Knihy alebo iná osoba, ktorá vlastní autorské práva v Knihách alebo v iných dielach,

Vaše práva môžu byť ovplyvnené vysporiadaním, ktoré vychádza zo skupinovej žaloby v otázke digitalizácie Kníh a iných diel spoločnosťou Google.

Pozor autori a vydavatelia, ktorí sa nachádzajú mimo Spojených štátov amerických: Toto Vysporiadanie vás môže rovnako ovplyvniť. Prosím pozorne si prečítajte toto Oznámenie.

- Skupinová žaloba uvádza, že spoločnosť Google porušila autorské práva autorov, vyďavateľov a
 iných vlastníkov autorských práv, ktorí vlastnía americké autorské práva v Knihách a iných
 dielach, a to ich digitalizáciou (skenovaním), vytvorením elektronickej databázy Kníh a
 zobrazovaním krátkych úryvkov bez povolenia vlastníkov autorských práv.
- Ako bolo navrhnuté, vysporiadanie žaloby (na ktoré sa odkazuje v tomto Oznámení ako na "Vysporiadanie") bolo dosiáhnuté v mene skupiny všetkých vlastníkov amerických autorských práv v Knihách a v iných dielach vydaných do 5 januára 2009 vrátane. Knihy vydané po 5. januári 2009 nie sú zahrnuté v tomto Vysporiadaní. (Viď Otázka č. 6 nižšie na popis "Knih," pretože tento výraz je použitý v tomto Oznámení.) Vyskytujú sa tu dve podskupiny:
 - "Podskupina autorov" (autori Knih a Priloh, ich dediči, následníci a osoby, na ktoré bol prevedený ich majetok a všetci ostatní členovia Skupiny Vysporiadania, ktorí nepatria do podskupiny vydavateľov), a
 - "Podskupina vydavateľov" (vydavatelia Kníh a Príloh, ich následníci a osoby, na ktoré bol prevedený ich majetok)
- Výhody vyplývajúce pre túto Skupinu z Vysporiadania, zahŕňajú:
 - 63 % zo všetkých príjmov, ktoré spoločnosť Google získa z inštitucionálneho predplatného do databázy, z predaja prístupu ku knihám on-line, zo získu z reklamy a z ďalšieho komerčného použitia.
 - Spoločnosť Google vyplatila 34,5 milióna dolárov na založenie a prevádzkovú činnosť Registra autorských knižných práv ("Register"), na výber poplatkov od spoločnosti Google a na ich rozdelenie medzi vlastníkov autorských práv.
 - Právo vlastníkov autorských práv určiť do akej miery môže spoločnosť Google využívať ich diela.

If you're an author, publisher, or copyright holder, please visit the settlement administration site for information. Google has reached a groundbreaking agreement with authors and publishers.

Promote your books on Google for free

You'd sell a lot more books if a lot more people knew about them. We can help make that happen.

Help users discover your books

By matching the content in your books with user searches, Google Books connects your books with the users who are most interested in buying them.

Keep your content protected

Users are able to preview a limited number of pages to determine whether they've found what they're looking for.

Drive book sales

Links to bookstores, online retailers, and your website make it easy for users to go from browsing to buying — with new ways to buy and access your books coming soon.

Google Books Settlement Agreement

If you're an author, publisher, or copyright holder, please visit the settlement administration site for information.

The Future of Google Books

Our groundbreaking agreement with authors and publishers.

Three years ago, the Authors Guild, the Association of American Publishers and a handful of authors and publishers filed a class action lawsuit against Google Books.

bring even more of the world's books online. Together we'll accomplish far more than any of us could have individually, to the Today we're delighted to announce that we've settled that lawsuit and will be working closely with these industry partners to enduring benefit of authors, publishers, researchers and readers alike. It will take some time for this agreement to be approved and finalized by the Court. For now, here's a peek at the changes we hope you'll soon see.

- 1. Book Search today
- How Book Search will change 2
- Three types of books 3
- The Book Rights Registry 4
- Libraries and universities
- Looking forward 9

Book Search today

Right now, you can search over the full text of some seven million books through Google Books. Try it out for yourself:

Search Books

results, and clicking on a result will take you to the relevant page in the book, where you can browse a few more pages and Whenever you do a Google web search, you're also searching our book index; any relevant hits will appear in your search learn where to borrow or buy it.

Data from 10/28/08-August 30, 2009

Note: The number of impressions represents the total number of times an online ad was served by Google AdWords, Yahoo or Yandex as a result of sponsored keyword searches or content placements. The number of clicks is the total number of times the ad title or settlement website URL link displayed in the ad was clicked on by the user. This number may include clicks that are unintended or accidental. Variations in impressions and clicks by language may occur due to differences in the number and the nature of search engine partners. Total traffic to the case website is reported elsewhere.

Subject: Google Settlement - email blast Date: Monday, June 22, 2009 4:38 PM From: Tracy Grand < tgrand@jacketflap.com> To: "Gehring, Alicia" < A Cehring@KinsellaMedia.com> Conversation: Google Settlement - email blast

I was recently contacted by Kinsella Media, the court-approved Notice Provider in the Google Book Search Settlement. They are in charge of distributing information about the settlement to authors (and publishers) worldwide. Kinsella recognized JacketFlap's ability to reach a large number of published book creators, and they purchased an ad on JacketFlap. They also provided the following information, and I'm passing it along to you, as your legal rights may be affected by the Settlement. If you have any questions about this, please don't ask me, as I am not an expert on this matter! Instead, please either visit http://www.googlebooksettlement.com or call 612.359.8600. I hope this information is helpful.

Best, Tracy

Updated Summary Notice: New Opt-Out/Objection Deadline is September 4, 2009

If You Are a Book Author, Book Publisher or Other Person Who Owns a Copyright in a Book or Other Writing, Your rights may be affected by a class action settlement regarding Google's scanning and use of Books and other writings.

Persons Outside the United States: This settlement may affect you because it covers U.S. copyright interests in books published outside the United States. If you hold such an interest in a book or other material in a book, this settlement will bind you unless you timely opt out.

Authors and publishers filed a class action lawsuit, claiming Google violated the copyrights of authors, publishers and other copyright holders ("Rightsholders") by scanning in-copyright Books and Inserts, and displaying excerpts, without permission. Google denies the claims. The parties have agreed to a settlement. This summary provides basic information about the settlement. "Books" and "Inserts" are described below

What Does the Settlement Provide?

The settlement, if Court-approved, will authorize Google to scan in-copyright Books and Inserts in the United States, and maintain an electronic database of Books. For out-of-print Books and, if permitted by Rightsholders of in-print Books, Google will be able to sell access to individual Books and institutional subscriptions to the database, place advertisements on any page dedicated to a Book, and make other commercial uses of Books. At any time, Rightsholders can change instructions to Google regarding any of those uses. Through a Book Rights Registry ("Registry") established by the settlement, Google will pay Rightsholders 63% of all revenues from these uses.

Google also will pay \$34.5 million to establish and fund the initial operations of the Registry and for notice and settlement administration costs, and at least \$45 million for cash payments to Rightsholders of Books and Inserts that Google scans on or before May 5, 2009.

Who Is Included?

The settlement class includes all persons worldwide who own a U.S. copyright interest in any Book or Insert. The meaning of "U.S. copyright interest" is broad. Wherever you are located, please read the full Notice to determine whether you are included in the settlement.

There are two Sub-Classes:

- * The "Author Sub-Class" (authors of Books and other writings, and their heirs, successors and assigns), and
- * The "Publisher Sub-Class" (publishers of Books and periodicals, and their successors and assigns).

What Material Is Covered?

"Books" include in-copyright written works, such as novels, textbooks, dissertations, and other writings, that were published or distributed in hard copy format on or before January 5, 2009. U.S. works must be registered with the U.S. Copyright Office to be included in the settlement. "Books" do not include periodicals, personal papers, sheet music, and public domain or government works.

"Inserts" include any text and other material, such as forewords, essays, poems, quotations, letters, song lyrics, children's Book illustrations, sheet music, charts, and graphs, if independently protected by U.S. copyright, contained in a Book, a government work or a public domain book published on or before January 5, 2009 and, if U.S. works, registered (alone or as part of another work) with the U.S. Copyright Office. Inserts do not include pictorial content (except for children's Book illustrations), or any public domain or government works.

The Notice contains a more detailed description of these terms and other essential information about the settlement.

What Should I do?

Please read the full Notice, which is available at http://www.googlebooksettlement.com. Decide whether you should:

- * Remain in the settlement. If you do so, you will be bound by the Court's rulings, including a release of your claims against Google.
- * Object to or comment on the settlement. You must object/comment in writing by September 4, 2009.
- * Opt out of the settlement and keep your right to sue Google individually. You must opt out in writing by September 4, 2009.
- * File a claim for a cash payment (if you are eligible to do so). You must file your claim by January 5, 2010.

The Court has appointed Class Counsel to represent the two Sub-Classes. If the settlement is approved, Class Counsel for the Author Sub-Class will request attorneys' fees and expenses that Google has agreed to pay. You can also hire your own attorney at your own cost.

The Court will determine whether to approve the settlement at a Fairness Hearing on October 7, 2009 at 10:00 a.m.

Legal Notice

Persons Outside the United States: This settlement may affect you because it covers
U.S. copyright interests in books published outside the United States. If you hold such an interest in a
book or other material in a book, this settlement could bind you unless you timely opt out.

If You Are a Book Author, Book Publisher or Other Person Who Owns a Copyright in a Book or Other Writing,

Your rights may be affected by a class action settlement regarding Google's scanning and use of Books and other writings.

Authors and publishers filed a class action lawsuit, claiming Google violated the copyrights of authors, publishers and other copyright holders ("Rightsholders") by scanning incopyright Books and Inserts, and displaying excerpts, without permission. Google denies the claims. The parties have agreed to a settlement. This summary provides basic information about the settlement. "Books" and "Inserts" are described below.

What Does the Settlement Provide?

The settlement, if Court-approved, will authorize Google to scan in-copyright Books and Inserts in the United States, and maintain an electronic database of Books. For out-of-print Books and, if permitted by Rightsholders of in-print Books, Google will be able to sell access to individual Books and institutional subscriptions to the database, place advertisements on any page dedicated to a Book, and make other commercial uses of Books. At any time, Rightsholders can change instructions to Google regarding any of those uses. Through a Book Rights Registry ("Registry") established by the settlement, Google will pay Rightsholders 63% of all revenues from these uses.

Google also will pay \$34.5 million to establish and fund the initial operations of the Registry and for notice and settlement administration costs, and at least \$45 million for cash payments to Rightsholders of Books and Inserts that Google scans prior to the deadline for opting out of the settlement.

Who Is Included?

The settlement class includes all persons worldwide who hold a U.S. copyright interest in any Book or Insert. The meaning of "U.S. copyright interest" is broad. Wherever you are located, please read the full Notice to determine whether you are included in the settlement.

There are two Sub-Classes:

- The "Author Sub-Class" (authors of Books and other writings, and their heirs, successors and assigns), and
- The "Publisher Sub-Class" (publishers of Books and periodicals, and their successors and assigns).

What Material Is Covered?

"Books" include in-copyright written works, such as novels, textbooks, dissertations, and other writings, that were published or distributed in hard copy format on or before **January 5**, **2009**. U.S. works must be registered with the U.S. Copyright Office to be included in the settlement. "Books" do not include periodicals, personal papers, sheet music, and public domain or government works.

"Inserts" include any text and other material, such as forewords, essays, poems, quotations, letters, song lyrics, children's Book illustrations, sheet music, charts, and graphs, if independently protected by U.S. copyright, contained in a Book, a government work or a public domain book published on or before January 5, 2009 and, if U.S. works, registered (alone or as part of another work) with the U.S. Copyright Office. Inserts do not include pictorial content (except for children's Book illustrations), or any public domain or government works.

The Notice contains a more detailed description of these terms and other essential information about the settlement.

What Should I do?

Please read the full Notice, which is available at http://www.googlebooksettlement.com. Decide whether you should:

- Remain in the settlement. If you do so, you will be bound by the Court's rulings, including a release of your claims against Google.
- Object to or comment on the settlement. You must object/ comment in writing by May 5, 2009.
- Opt out of the settlement and keep your right to sue Google individually. You must opt out in writing by May 5, 2009.
- File a claim for a cash payment (if you are eligible to do so). You must file your claim by January 5, 2010.

The Court has appointed Class Counsel to represent the two Sub-Classes. If the settlement is approved, Class Counsel for the Author Sub-Class will request attorneys' fees and expenses that Google has agreed to pay. You can also hire your own attorney at your own cost.

The Court will determine whether to approve the settlement at a Fairness Hearing on June 11, 2009 at 1:00 p.m.
